

THE KIDS' TABLE

A CONVERSATION GUIDE FOR KIDS – SEEING,
LISTENING, AND SHARING.

- 
- What's something that made you smile today?
 - What's your favourite thing to do after school or on the weekend?
 - Who do you like spending time with, and what do you love doing together?
 - When you think about your favourite table (at home, school, or somewhere else), what happens there?
 - Who usually sits with you at that table – and what do you like talking about?
 - If you could invite anyone in the world to join your table, who would it be and why?
 - What makes you feel happy or cared for?
 - Can you think of a time when someone was kind to you? What did they do?
 - How do you like to show kindness or help someone else?
 - If your feelings were colours, what colour do you feel most like today?
 - What do you think makes a community or a neighbourhood feel friendly?
 - If you could make one wish for the world, what would it be?
- 

Optional Creative Prompt

Draw or decorate a cup or plate that shows something about you – your favourite colour, shape, or memory. What story would it tell if someone found it one day?

Thank you for sharing! Every answer and drawing helps build The Table – a big, beautiful artwork made from the stories and ideas of people just like you.
